## Channels List

---

## **Back In Time... all 70s & 80s**

**70s & 80s... enough said.**

This is a feel-good mix that will have you singing along to every song. It's jam-packed with your favorites from the 70s and 80s.

## **Beverly Hills**

**High-end Ambient EBM**

This is the soundtrack of young luxury.

## **Big Band Swing**

**Big Band**

The bands were big and the songs were swingin'. Take a sentimental journey with the big band classics you love and maybe discover a hidden gem or two.

## **Bossa Nova**

**Brazil Samba**

Derived from Samba with more emphasis on melody and less on percussion.

## **Can You Dig It?**

**1964 - 1973**

Before there was disco, the British Invasion ushered in a new era in American music. Surf, folk, rock, psychedelic... there was something for everyone... and you'll hear it here. So break out the bell bottoms and headbands and feel the love. Can you dig it?

## Charting NOW

### Top 40

The hottest, most listened to tracks of today... they're in here. This collection of fresh chart-toppers keeps modern energy front and center... and you've got an all-access pass.

## Christian Rap

### Gospel Rap

Not your typical Gospel music...break the mold, and have fun listening to fellow Christians expressing themselves.

## Classical Essentials

### Classical

Outstanding orchestras from around the globe bring timeless masterpieces to life. Settle in for some of the greatest music ever composed... the perfect blend of class and culture.

## Cool Yule

### Holiday Variety

A stocking full of holiday treats with a slightly more refined blend... some classics, some country, some new favorites, but none of the corny songs... just 100% holiday cheer!

## Country Gold

### Classic Country

This channel's a tip of the hat to the country artists who helped define the genre for a generation. Some might call it the golden age of country.

## Crooners and Balladiers

### Rat Pack Plus

Legendary and timeless tracks from larger-than-life artists of the 40s & 50s along with the smooth vocals of today's crooners, this channel is the essence of cool.

## Dance, Dance, Dance

### Dance

Don't fight it... this mix will have you moving. It's full of the best crossover tracks from pop, alternative, and indie artists that's perfect for your energetic environment.

## Diners and Drive-Ins

### 1955 - 1963

Poodle skirts, sock hops, hot rods, and drive-ins. If the mere mention of those things makes you smile, so will this channel. The origins of rock 'n' roll along with some sweet vocal harmonies make this a channel you'll love, daddy-o!

## Dirt Roads

### Contemporary Country

Put on your trucker hat, drive down the dirt road in your pick up and sing along with the anthem of the red dirt.

## El Ritmo

### Latin Contemporary

The rhythm, the language, the energy... just try to keep from dancing! This collection of contemporary Spanish language music blends pop, salsa, tropical, and other latin elements that will move you!

## Elemental Chill

### Ambient Chill

Don't fight it... this mix will have you moving. It's full of the best crossover tracks from pop, alternative, and indie artists that's perfect for your energetic environment.

## Emerald Isle

### Authentic Irish Music

Get your St. Patty's Day fix with collection of authentic Irish tracks. It's like at trip to the Emerald Isle, but no passport needed.

## Flip Flops and Coconuts

### Summer, beach vibes

This is the soundtrack for chillin' on the beach. You put on the suntan lotion and set up the umbrella... we'll take care of the tunes.

## Frightfully Fun

### Halloween Variety

This channel is all treat and no trick. You work on your Dracula accent and we'll spin up some great tracks to get you in the Halloween spirit.

## Groovin

### R&B Classics (1964 - 1985)

Classic Rhythm + Blues... it's a recipe for a channel that will have you singing along to every track. And don't worry... we'll be singing along with you.

## Heart Song

Premium Channel

### Ages 60 and Above

Experience the discovery of new memories, find self expression and connection with others through the power of music.

## Holiday Spice

### Contemporary Holiday Hits

This isn't your grandparents' holiday channel. Festive, upbeat songs of the season along with holiday classics performed by contemporary artists.

## How's your Grito?

### Mariachi

Mariachi music at it's finest with vocals, trumpets, guitars, violins and the iconic grito's to add to the fun.

## I Love That Song!

### Adult Contemporary

Take today's upbeat hits and mix them with your favorites from the 80s and 90s and you've got a recipe for a channel everyone will love. Not too hard, not too soft... this one's filled with your favorite hits.

## IndieVibe

### Alternative and Indie

Forget the mainstream, this edge stays sharp!

## **Instrumental Favorites**

### **Instrumental Pop Covers**

Forget the mainstream, this edge stays sharp!

## **Jazzzzzz**

### **Smooth Jazz**

This is another layer deep on Jazz; a single song may last a long time, but you'll be lost in the reverie while it's dancing in your mind.

## **KidZone**

### **Kids**

Like an endless bag of candy, the kids will love this channel. It's full of fun tracks that will have them dancing, playing, and singing along.

## **Love Story**

### **Love Songs**

The songs that back in the day someone added to a mix tape for you. This is that tape.

## **Meditative Spa**

### **Deep Relaxation**

Relax, restore, and rejuvenate mind and body, with sounds that caress, massage and center.

## **Mistletoe & Stockings**

### **Holiday classics and new favorites**

This is what holiday spirit sounds like, so get ready to decorate the tree, hang the stockings, and sing along to your holiday favorites... new and old.

## **New Old Soul**

### **Modern soul music with classic vibes**

Raw, emotional, soul-filled tracks that feel worn in like your favorite pair of jeans.

## **No Label Needed**

### **Singer-Songwriter / Alt Indie**

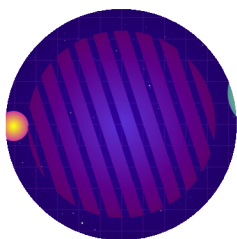

These tracks weren't made for the labels, they were written for the art of it... straight from the heart... each one with a story to tell.

## **Nothing But 70s**

### **Hits from the 70s**

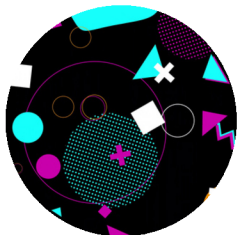

Get out the bell bottoms and tie-die shirts for this one and be transported back to the 70s.

## **Nothing but 80s**

### **Hits from the 80s**

The era known for extreme fashion and getting "Dressed for Success", but sometimes... "Girls just Want to have Fun"!

## Nothing but 90s

### Hits of the 90s

Remember dial up internet and scrunchies? Sit back and enjoy the creative fusion of your favorite 90s songs.

## Pass the Mic

### Urban Contemporary

The hottest tracks from your favorite hip hop artists will make this one of your favorite channels. The beats, the rhymes, the lifestyle... there's a reason Rap is the most listened-to genre of music in America, so crank it up!

## Pop

### Late 90s to current Pop Music

Get those vocal chords warmed up...this one will have you singing along to these popular songs!

## Positively Praise!

### Contemporary Christian

This channel is filled with positive, uplifting music from Christian artists that will fill your day with praise and worship.

## Power Chord

### Classic Rock

Big guitar riffs so recognizable, everybody knows what song is playing. Yeah, that's what you'll hear. Hard rock, blues rock, and arena rock from the 60s, 70s and 80s. Don't mind us if we play a little air guitar to this one.

## RevUp

 Premium Channel

 **jb** music  
therapy

### Workplace Productivity

Elevate mood, enhance motor skills and coordination, stimulate cognitive function, and experience connectedness through music.

## Road House Rhythms

### Rock-Blues and Hot Country

Stop in, get a drink and sing along with old favorites.

## Smoky Notes

### Jazz

Sit in the listening room and feel the rhythm and soul, feel yourself move to the dulcet tones of these artists.

## Storytellers

### Singer Songwriter

They're more than songs, they're stories... and they become the soundtrack of our lives.

## Sun & Sand

### Beach

Get out the sunblock and put the top down, because you're headed to the beach! East Coast, West Coast, Gulf Coast or the tropics, the only thing this channel is missing is a coconut drink with a little umbrella.

## TuneUp

### Calming the Mind

Providing a unique medium for individuals to process emotional experiences, including trauma and grief, while offering a calming influence to enhance feelings of belonging and overall wellness.
